

## USB Type C to Audio Adapter

**133460**

The Equip 133460 USB Type C Audio Converter is a useful, portable adapter for connecting 3.5mm audio devices such as headphones, soundbars and microphones, to the USB Type C port on an Ultrabook, notebook or tablet. With the increasing production of slim, compact laptops and notebooks, the number of external ports is becoming limited, leaving some audio devices obsolete. Our Audio Converter overcomes this problem in a simple, functional way.
